ABOUT ARISE CONFERENCE

ARISE (Association for Re-inventing School Education) is a network of visionary school founders and educators, representing over 1,350 private schools, 85,000 teachers, and 1.4 million students. To drive transformative change at the institutional level, ARISE fosters collaboration among all stakeholders—government, industry, and society—to create a resilient, student-centered, and future-ready school education system. The ARISE Flagship School Education Conference, in partnership with FICCI, aims to explore policy reforms, showcase proven practices and learning strategies, and foster both national and international partnerships. The conference aims to trigger the debate on:

Evolving Concept of School Education:

A forward-looking plan emphasizing the importance of preparing students for the evolving demands of knowledge, skills, and abilities in the coming decade and beyond.

New Age Teaching and Learning:

Move towards personalised learning by embracing innovative teaching methods and utilizing technology to enhance educational opportunities.

Enabling Policies & Regulatory Changes:

Collaborate with regulators to shape policies that enhance the role of independent schools in supporting national goals.

Key Objectives

The conference aims to become an epicentre of deliberations for school education space, positioning India as a brand on the education map, to facilitate:

Discussions on macro policy issues to define the implementation of various K-12 segment programmes

Putting the spotlight on innovative and path-breaking initiatives undertaken by key stakeholders

Creating channels for national and international collaborations and partnerships

Who Should Participate?

Government Officials/Policy Makers/ Think Tanks

School Owners and Promoters, Educationists, Industry Leaders

International Organisations & Associations, Multilateral and Bilateral Agencies, Embassies, High Commissions & Consulates & NGOs

IT & EdTech Community

AGENDA

School Tours

An exciting opportunity to visit top of the line schools in Delhi/NCR region and gain exposure to successful pedagogical tools and practices, innovative learning spaces, and technological interventions to prepare students for the 21st century.

Master Classes

Interactive master classes on topical issues designed to learn and develop new ideas through discussions, consultations and guidance from experts and develop a better approach to improve the existing systems and strategies.

Keynote Sessions

Our conference features world-class keynote speakers: proven experts with contributions that will take you on a journey far beyond conference themes. Bringing new perspectives and new impulses for innovation.

Panel Discussions

Our panel discussions unite experts to explore vital education topics. Led by a skilled moderator, educators exchange diverse perspectives, unveiling innovative teaching methods and inclusivity strategies.

B2B Meetings

Unlock exclusive opportunities to connect with top EdTech companies and innovators shaping the future of education. These tailored B2B meetings will allow you to explore cutting-edge technologies, tools, and solutions that can transform teaching and learning experiences in your institution.

Exposition

Explore a vibrant showcase of the latest innovations, technologies, and solutions driving the future of education. From cutting-edge digital tools to advanced learning methodologies, the exposition will feature pioneering products and services that are shaping the global education ecosystem.

Principal Forum

Recognizing the importance of continuous professional development, collaboration, and peer support among educational leaders, ARISE is proud to announce the launch of the ARISE Principal Forum at the upcoming conference. This forum will provide an opportunity for educators to participate in high-quality professional development programs and get access to tailor-made solutions to enhance overall efficiency and effectiveness of their school managements.

WHY SHOULD YOU PARTICIPATE

Platform for Policy Deliberation

Gain insights on policy roadmaps and other topical issues in K-12.

Knowledge Transfer

Discover proven practices and learning strategies from global and Indian experts.

Networking

Opportunity to network with stalwarts of K-12 sector including promoters, owners and heads of leading private schools in the country.

Visibility

An apt forum to showcase your strengths and foster effective national and international partnerships.

ARISE (The Association for Reinventing School Education) is an autonomous body that brings together some of the country's most progressive and intellectual minds including School Promoters, Edupreneurs & leaders who remain committed and focused on serving as a beacon for change within the diverse and dynamic landscape of India's school education system.

Living up to the motto 'Student First', ARISE recognises the complexity and the unique challenges faced by both independent private schools and public / government schools and will continue to play an important role to be a collaborative platform to bring together forward-thinking school founders, educators, policy makers, think tanks, educationists, civil society experts and technical experts.

As a collegium, ARISE represents over 1350 schools, 85,000 teachers and 1.4M students.

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

FICCI provides a platform for networking and consensus building within and across sectors and is the first port of call for Indian industry, policy makers and the international business community.
