ARISE (The Association for Reinventing School Education) is an autonomous body that brings together some of the country's most progressive and intellectual minds including School Promoters, Edupreneurs & leaders who remain committed and focused on serving as a beacon for change within the diverse and dynamic landscape of India's school education system.

Living up to the motto 'Student First', ARISE recognises the complexity and the unique challenges faced by both independent private schools and public / government schools and will continue to play an important role to be a collaborative platform to bring together forward-thinking school founders, educators, policy makers, think tanks, educationists, civil society experts and technical experts.

As a collegium, ARISE represents over 1800 schools, 95,000 teachers and 1.5M students.

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

FICCI provides a platform for networking and consensus building within and across sectors and is the first port of call for Indian industry, policy makers and the international business community.
